

Woodlands Children's Centre Summer holiday 2017 timetable

admin@woodlandsc.info

24th July ~ 1st September

Welcome to our programme of activities over the school summer holiday period. This is our third year that we will remain open throughout the summer holidays and although this is great it does mean that we are operating on a reduced staffing level whilst the staff take annual leave in rotation.

Building works will be commencing during the first 3 weeks of the summer holidays and we hope this doesn't cause too much disruption please be vigilant with lorries accessing the site on school grounds.

Park trips will include games and activities for the whole family. There is no age restrictions for these. **All children must be accompanied by an adult at all times.**

Mud Kitchen is limited to one session per child aged 2-5 years plus parent. **This session requires booking at reception.**

Please note:

We will be closed Monday 4th September for a staff training day and our Autumn Timetable will commence on 5th September.
